Mr Morris's Compliments to Mr Chew sends him the Letter he Promised to give Sharpe which as it contains other things besides the Recomendation of his Friend begs he will send it as soon as he can. The writing to Gov Sharpe has Hinderd Mr Morris paying his duty to the Governor upon his Return, which he intended this evening and hopes Mr Chew will defend him should he be accused on that head. Mr M's best wishes are always implowd for Mr Chews health & success and should he ever have time enough to spare upon his hands to peep into new Jersey Mr M. will leave nothing undone that may contribute to his Pleasure or satisfaction there having the highest sence of his friendship and the most sincere regard for his Superior merit.
